Sr. Product Designer

Quilt Software, New York, NY MAY 2025 - PRESENT

Lead end-to-end design initiatives across our POS ecosystem. Partner closely with engineering and product to define user needs, translate complex workflows into intuitive experiences, and deliver scalable design systems.

Sr. UI/UX Design Lead

15 Seconds of Fame Inc, Santa Monica, CA MAY 2020 - MAY 2025

Directly collaborated with executives to prototype, building new mobile app and web products from ground up, design and deliver the projects with user needs and technical constraints.

Sr. UI/UX Designer

SpotOn, Los Angeles, CA OCT 2019 - APR 2020

Translate user insights into intuitive kiosk and POS products. Worked on kiosk projects for Disney, Dodger Stadium, and Aramark, etc.

Sr. UI/UX Designer

Tillster Inc, Los Angeles, CA DEC 2014 - SEP 2019

Conducted user needs assessment, user testing, and develop usability plans. Worked closely with product management and data analytics. Successfully designed websites, mobile apps, and kiosks for Pizza Hut, KFC, Burger King and Popeyes, etc.

UI/UX Designer

NBCUniversal, Universal City, CA OCT 2014 - NOV 2014

Worked closely with design team leaders to implement a clean interface and UX feature for SNL mobile app.

Shazam Entertainment, Los Angeles, CA MAY 2014 - OCT 2014

Designed presentations, mobile advertising campaigns for mobile interface. Worked closely with the marketing & sales teams.

UI/UX Designer

Monger Marketplace, Toluca Lake, CA MAY 2013 - APR 2014

Designed user flows, wireframes, user interfaces from ground up for the eCommerce start-up's home improvement website.

Web Designer

Multiple Companies SEP 2008 - MAY 2013

Designed web pages and maintained visual consistency for a series of company's eCommerce websites.
